Dear friends,

November 2011

Fall is in full swing and we kicked off the season with a table setting contest to inspire tabletop lovers. The gorgeous displays from upscale boutiques in Fort Worth have us all thinking about holiday entertaining. Most merchandise is now 20% off and shipping is FREE on orders over \$100. We would love to personally help you create your own unique tabletop setup, whether it is starting from scratch or adding new pieces to old favorites. Testimonials from our customers are the best in the business. Find us on Facebook! We are updating photos and information every day. Thank you for your continued business and support. I love what I do and look forward to hearing from you. *-Jennifer Marcell, Dishes From the Past*
